

6. End result rankings:

Know which results are desirable for each end:

Very good end results: (your team will be very pleased, the opponents will not be happy) - Scoring more than 1 with last rock Stealing more than 1 without last rock.

Good results with last rock: (your team will be pleased with the results) - Blanking an end and retaining last rock for the next end. Last rock is very important

Good results without last rock: Scoring 1 point without last rock.

OK results with last rock: (your opponents will be pleased, you will think results are tolerable) - Scoring 1 or Opponents score (steal) 1 point.

Poor results: (your team will not be pleased , your opponents will be very happy) Opponents scoring more than 1 when you have last rock
