### Safety First Raffle

With another successful fundraiser completed to support the major expenses required to make our plant compliant with all the safety regulations surrounding the operation of an ammonia plant, the raffle raised \$3,643. Many thanks to our supporters and especially to the ones who purchased multiple tickets. The success of the raffle would not have been possible without these two intrepid salesmen, Vic Brice and Al Torgerson, who plied their sales message across all the leagues. Thanks to all. ~ Fred Rumo

### Thank you League Reps!

As we are wrapping up the curling season, now is a good time for all of us to thank our league reps for the work that is done through out the year. Their work involves organizing and scheduling draws, and keeping things running smoothly so that everyone has a great season. We appreciate you!

### New Club Manager

The NCC Board of Directors is very pleased to also announce the hiring of Andrea Trepanier as our next Club Manager. Andrea will be assuming the Manager's role after Denise's retirement. Andrea brings with her a wealth of knowledge, experience and achievements in marketing and managing business operations, most recently as the Controller for the Nanaimo Clippers Hockey Club. She is a member of the NCC and has been curling for many years. Andrea is looking forward to getting started, and will be shadowing Denise over the next couple of months to ensure a smooth transition. Please join us in welcoming Andrea to the NCC. *Mark Duffell – NCC President*
