3 vs 4 (Sheet 5)

Apr. 5 [COVID PROTOCOLS - JOHNSON]

1 vs 3 (Sheet 6)

2 vs 4 (Sheet 5)

Covid Protocols means having at least one member of the team show up 30 minutes prior to our curling time, being checked by the NCC staff upon their entry and then setting up at the entry door to check that each league entrant:

- is wearing an appropriate face mask that covers nose and mouth
- has used the sanitization station at the Entry door
- has self-checked for Covid symptoms, and
- has their temperature checked

It is imperative that every player successfully pass these criteria or they will be denied access to the club.
